## Presentation Facilities

PowerPoint will be available, and we can run PPT or PPTX formats. Please bring your presentation on a USB stick; if possible, we would like to avoid using multiple computers as this tends to slow events down significantly, as panels are chaired by their participants. If you wish to use an Apple device and cannot format it to run on a Microsoft system, please make sure you bring the relevant connector.

Please note, presentations may be displayed on flatscreens rather than projected, so avoid including lots of small text on slides.

## **Travel**

**Leeds Train Station, New Station St, Leeds LS1 4DY****Air:** The closest airport to Leeds is Leeds-Bradford (LBA). There are regular buses from there into the city centre and back (take the FLYER A1 service). The bus and coach station is within walking distance of the conference venue (10-15 mins) but we would advise you to check a map before you arrive so you have an idea of where you are going; you can get a taxi from just outside the bus station if you prefer. If you are also planning to attend the Thought Bubble convention in Harrogate, the FLYER A2 runs between Harrogate and Leeds Bradford Airport. Details of the airport buses can be found here: [Travel by bus or coach | Leeds Bradford Airport](#).

The nearest large airport is Manchester Airport (MAN). There are regular trains and coaches from the airport interchange (it will take 1-2 hours to reach Leeds from Manchester but can be significantly cheaper than LBA).

**Coach:** National Express (<http://www.nationalexpress.com/home.aspx>) and Megabus (<http://uk.megabus.com/>) both offer coach travel to Leeds from various locations.

**Train:** Leeds train station is a short walk from the conference venue.

## **Tourism**

There are many tourism opportunities within Leeds and the surrounding areas. See <https://www.visitleeds.co.uk/> for more information.
